

Remarks

As requested in the Notification to Comply with Requirements for Patent Application Containing Nucleotide and/or Amino Acid Sequence Disclosures dated January 4, 2007, applicants submit herewith a Sequence Listing for insertion into the specification.

In compliance with 37 C.F.R. § 1.821(f), the undersigned declares that the nucleotide and/or amino acid sequences presented in the electronic Sequence Listing in the .txt file submitted herewith, do not include any new matter which goes beyond the disclosure of the application as originally filed.

Applicants believe that no new matter is added by this Amendment. Entry of this amendment is respectfully requested.

Conclusion

Applicants believe the subject application is in condition for examination, which action is requested. If any minor matters remain prior to examination, please contact the undersigned at the telephone number listed below.

Respectfully submitted,
